

**Dear friends at GIEF...**

I am interested in learning more about how I can be involved with Grace International School and helping missionary families and children overseas. Please contact me with more information regarding the following:

Teaching overseas in Thailand at Grace International School.

Opportunities to serve in other capacities (such as administrative or support staff) at Grace International School.

I would like to discuss my interests with you by telephone or a personal visit.

Please include me in informational mailings about what God is doing at Grace International School.
